## Method

- Add into a cocktail shaker lime juice, triple sec, cranberry juice and citrus vodka
- Fill the shaker with plenty of ice and give it a good shake for a bit more than 10 seconds
- Strain the drink into a cocktail glass using a fine strainer to remove the small pieces of broken ice that would otherwise melt in the drink
- Use a lit match and warm the orange on the outer surface of an orange peel. Then express those oils by squeezing the peel and create a quick burst of flame that will enhance the cocktail with a beautiful aroma.
