Method

Mixing the cuban sensation known as Cuba Libre is way easier than you think!☑☑

- Grab a frozen highball glass.☑☑
- Start off by adding in the freshly squeezed lime juice and a healthy measure of rum. Then fill the glass with lots of ice.☑☑
- Top up with cola and stir again, gently this time so as not to lose the bubbles. Garnish with a lime wedge and enjoy your Cuba Libre!

Tip

What makes the Cuba Libre more delicious and refreshing than a standard rum and coke is fresh lime juice so make sure you don't skip on that!
