## Method

The Moscow Mule is a very simple, yet delicious vodka classic. Make it directly in the glass!☑☑

- Start by measuring 50 ml of vodka, 15 ml of freshly squeezed lime juice, and a teaspoon of sugar syrup and mix them all together. ☑
- Fill the glass with lots of ice and stir.☑☑
- Top up with ginger beer and stir again gently, so as not to lose the bubbles.☑☑
- Garnish with a lime wedge and you 're good to go!☑☑☑☑

### For the simple syrup

- Mix 1 cup of hot water with 1 cup of sugar and keep stirring until all the sugar dissolves. Let the mixture cool down and store in the fridge for up to 1 month.☑

## Tip

If you want your drink not just to taste but also look authentic serve it in a traditional copper mug which also helps keep the drink ice cold. Don't forget to use a good quality, hot and spicy ginger beer. It will definitely elevate your drink. Cheers!
