Method

- Combine the sugar and citric acid in a small bowl.
- Remove grapes from stem and wash. Do not dry them off.
- Place them in a resealable bag and add the sugar mixture.
- Seal the bag and shake to coat the grapes.
- Store in freezer. Remove when needed. They are ready to eat.

Tip

This is a great way to enjoy grapes even at the heart of winter, while also having a tasty treat ready and waiting... just in case we get a sudden sweet tooth!
